

## **Declaration of Identity**

We A. Aria Compressa S.r.l., part of the Atlas Copco group

declare that

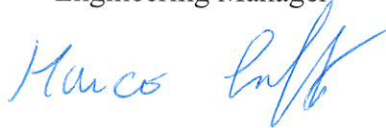

**The ATF range is manufactured entirely with LF2 and LF10  
pumps.**

According to the test carried out by TUV on December 2007,

**We confirm that the ATF range is 100% oil-free in the  
standard ISO8573-1:2001 as the LF range**

Best regards,

Marco Esposito  
Engineering Manager
